

Analogue-addressable Fire Alarm Panel

- Up to 2 Loops
- 250 Devices per loop
- Multilanguage support

Simpo is the perfect cost effective solution for smaller analogue-addressable installations. It is an up to two loop panel with coverage of 48 zones. 250 devices with Teletek Electronics protocol could be connected to each loop. System status is visualized via LCD display and LED indication. The panel comes in a metal casing with a multilanguage display and front foil for easier customization. Direct programming with ProsTE software.

Features

- Up to 2 Loops
- 250 Devices per loop
- Multilanguage support
- Day/Night Mode
